

## FORECASTED OPIOID DEATHS IN WINDSOR-ESSEX COUNTY FOR 2023-2026 BASED ON HISTORICAL VALUES FROM 2012-2021

The table and graph below demonstrate forecasted opioid deaths in Windsor-Essex County (WEC) for the years of 2023 to 2026 based on historical values from 2012-2021. Complete data on opioid-related deaths that occurred locally in 2022 is currently unavailable.

If local conditions remain consistent over the next four years (2023-2026) and the opening of the CTS is delayed, it is projected that the WEC area could witness a consistent rise in opioid overdose deaths. This can range from 91 deaths in 2023 to approximately 116 (or as high as 157) deaths in 2026.
