

COVID-19 VACCINE ADMINISTRATION

HEALTH CARE PROVIDER 1

Wants to provide COVID-19 vaccines

Does not want to/does not have resources to provide vaccines on a large scale.

HOW THE WECHU CAN HELP

Only provide small amounts of vaccine for booked patients on an as-needed basis.

HEALTH CARE PROVIDER 2

Has never provided COVID-19 Vaccines.

Unsure of how to set-up a clinic in their space.

Lacks time to train staff within practice.

HOW THE WECHU CAN HELP

Send Mobile Vax Support Team to assess the clinic space and provide clinic plan.

Send Mobile Vax Support Team to set-up and lead a clinic within the practice as a shadowing opportunity.

HOW WECHU CAN SUPPORT YOUR PRACTICE

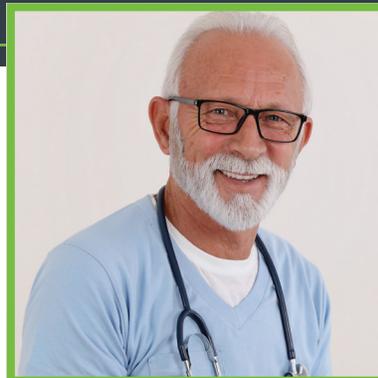

HEALTH CARE PROVIDER 4

Does not know which patients are eligible for a COVID-19 vaccine.

HOW THE WECHU CAN HELP

Provide regular updates on COVID-19 vaccine eligibility.

Support navigating OntarioMD, including linking certified EMRs to the Health Report Manager to receive COVaxON vaccination reports to determine eligibility.

HEALTH CARE PROVIDER 3

Is hesitant about using COVaxON.

Does not have time to complete COVaxON training.

HOW THE WECHU CAN HELP

Set up COVaxON account virtually.

Share specific job-aids and cheat sheets.

Provide training virtually at times that work best for the practice.

Send Mobile Vax Support Team to provide on-site training for COVaxON at times that work best for client service.
