

TOILETING ROUTINE

1 Gather needed supplies

2 Wash your hands. Put on disposable gloves

3 Remove and discard soiled disposable training pant

4 Place the child on the toilet/potty chair

5 Clean child's bottom. Put on a new disposable training pant and dress the child

6 Remove soiled gloves. Wash your hands and then the child's hands. Return the child to a supervised area

7 Put on gloves. Empty contents from the potty chair into the toilet and flush. Clean and disinfect toilet seat insert/potty chair

8 Remove gloves and wash your hands

9 Store toilet seat insert/potty chair in a sanitary manner
