## DURING ACTIVE TRANSPORTATION TO SCHOOL

### DO

Wear a mask and keep 2 metres apart if walking or wheeling with someone not from your household.

Wash your hands before leaving the house.

Pay attention to crossing guards and to traffic around you.

Leave yourself enough time to get to school safely.

### DON'T

Don't allow others to touch or use your personal items, such as bikes, scooters, or backpacks.

Don't cough or sneeze into the open air. Cover with a tissue or your sleeve.

Don't leave for school if you are feeling sick. Tell a parent or caregiver.

Don't walk or wheel to school or home in large groups with others who are not from your household.
