

Radon is a colorless, odorless, and tasteless radioactive gas found in most homes that often goes undetected. It is the #1 cause of lung cancer in non-smokers.

The only way to know the radon level in your home is to test for it.

You can test for radon by purchasing a long-term test kit online or

borrow a SHORT-TERM TEST DEVICE from any OPEN Essex County Library Branch

Use your **Essex County Library Card**

to sign out a

SHORT-TERM RADON TEST DEVICE

for **3 weeks.**

Call or visit our website and place a hold to reserve your device.

Pick up and return to any open Essex County Library Branch.

NO RENEWALS

NOVEMBER IS RADON AWARENESS MONTH IN CANADA
